Stendörren acquires two warehouse assets in the Copenhagen region for SEK 73 million

Stendörren Fastigheter AB (publ) has acquired the industrial and warehouse assets Farverland 7 in Glostrup and Farum Gydevej 62 in Farum from private sellers. The total property value is DKK 50 million, corresponding to circa SEK 73 million, and the total lettable area is 4 527 sq m. The assets are fully let to two different tenants on long leases. Post the acquisition Stendörren's portfolio in the Copenhagen region amounts to nine assets with a total lettable area of circa 31 000 sq m.

Stendörren Fastigheter AB (publ)

Stendörren Fastigheter AB (publ) is an expansive property company listed on Nasdaq Stockholm Mid Cap. Our business concept is to create profitable growth in net asset value by managing, developing and acquiring properties and building rights within logistics, warehouse and light industry in Nordic growth regions. When commercially viable, we rezone such existing properties and thereby create residential building rights for further in-house development and management, mainly in Greater Stockholm and the rest of the Mälardalen region.
