Stendörren Fastigheter AB (publ)

Stendörren Fastigheter AB (publ) is an expansive property company listed on Nasdaq Stockholm Mid Cap. Our business concept is to create profitable growth in net asset value by managing, developing and acquiring properties and building rights within logistics, warehouse and light industry in Nordic growth regions. When commercially viable, we rezone such existing properties and thereby create residential building rights for further development and management, mainly in Greater Stockholm and the rest of the Mälardalen region.
